About Us

Unique Home Products (UHP) is a UK-based importer and wholesaler specializing in Indian-made handcrafted furniture. We partner closely with skilled artisans in India, bringing timeless craftsmanship, sustainable practices, and authentic designs to the UK market. Our mission is to deliver distinctive, high-quality home products that celebrate tradition while meeting modern living needs. At UHP, we are passionate about fostering long-term UK-India collaborations, empowering artisans, and enriching homes with pieces that carry a story of heritage, artistry, and culture. Through our collections, we strive to build stronger ties between the two nations while offering unique value to our customers.
